Nathan with
Nurse Ellen

Nathan was born in 2011 with a severe life-shortening condition. Nathan loves coming to Helen & Douglas House.

"It's the only place I will leave Nathan. The care he receives at Helen & Douglas House, both physically and mentally, is brilliant."

Lily-Mae's Story

Lily-Mae with her mum and grandma at the hospice summer party

Lily-Mae died aged 8 years old. Her regular visits to the hospice and support were a lifeline for her and family

"Helen & Douglas House was my daughter's special place - a place to be safe, smile and be happy. It was also a place that enabled me to be mummy and take 'the carer' role away. Life is precious and here we were able to make memories to treasure forever."

Leanne, Lily-Mae's Mummy
